OFFSHORE DELUXE CABIN TOILET

NURA Offshore Deluxe Cabin Toilet is a premium sanitation solution built for offshore and heavy-duty industrial environments. Designed to withstand harsh conditions and continuous use, it's ideal for offshore platforms, marine projects, and remote worksites.

This unit offers home-like comfort with a **ceramic toilet bowl, shower, cabinet with mirror, and air ventilation**, providing the convenience and cleanliness of a standard house toilet. It's the perfect all-in-one portable toilet for clients needing a complete, comfortable hygiene space on site.

Delivered ready to use, the NURA Offshore Deluxe Cabin Toilet ensures reliable performance and easy maintenance. Available for flexible rental durations, it keeps your operations running smoothly—wherever the job takes you.
