

Portable Toilet

Features :

- Ultra smooth walls can be washed easily with built-in, irremovable vents to protect the cabin from insects and rain.
- Highly stable door thanks to the heavy-duty spring coil. A wind resistant device has been fitted to the door to ensure perfect closure when unlock.
- Urinal with drain cover and lodging for the urinal block which disinfects and perfumes the environment as well as preventing obstruction of the pipe
- Toilet paper holder holds 3 rolls with practical utility shelf
- Functional waste collection tank with ergonomic seat and anti-contact bends
- Single block floor highly resistant to impact, with non-slip surface and raised rims preventing accumulation of dirt and facilitating the washing and disinfecting operations
