HOME DELUXE CABIN

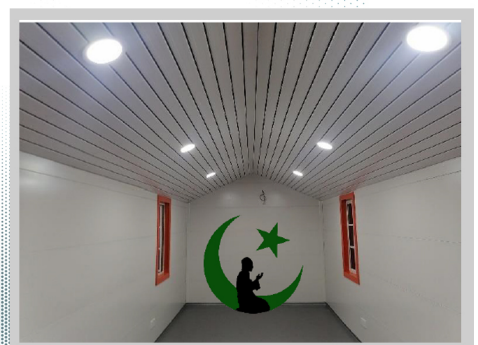

HOME DELUXE CABIN

NURA Home Deluxe Cabin is a 30ft multipurpose space designed to deliver comfort, flexibility, and functionality in one complete unit. Ideal for use as an small home, office, meeting room, or surau, this cabin is perfect for project sites, events, or temporary setups that require a clean, professional, and ready-to-use space.

Built with a spacious layout, it comes equipped with air ventilation, lighting, power points, and windows for natural light—creating a comfortable environment for work, discussions, or prayer. Its durable construction ensures reliable performance in various environments, while the clean interior design allows easy customization based on your specific needs.

Available for flexible rental durations, the NURA Home Deluxe Cabin is a practical solution for clients seeking a versatile and move-in-ready unit that supports productivity and peace of mind—anywhere it's placed.
